ACADEMICS

The academics program here at St. John's is acknowledged for its high standard of education, and has long been a source of pride for the students. The small classes give the teachers a chance to work with the students on a more individual basis, and at the same time provide an excellent atmosphere for learning. The St. John's academic program also serves to guide the students in their religious vocation. It is necessary for a priest to be well educated if he is to function in today's society, and St. John's provides this education. Academics is a vital element for the growth of a high school student, as it not only develops mental access to the student, but also creates a sense of pride, unity, and spirit within the school. The quality of a school has always been looked upon by its academic standards, and the quality of St. John's graduates is definitely a reflection on its outstanding academic program.

ACTIVITIES

When it comes to activities, the students of St. John's are indeed active. Both on and off campus activities keep the students constantly busy. The students partake in every thing from off campus charity works, to on campus treasure hunts. The joys and happiness of our daily life at the seminary are many, and we like to express them in our activities

SERRA CLUB

The Serra Club is a group of dedicated men and women, whose main concern is fostering vocations in our diocese. They support St. John's and our various activities, and at the same time work in area parishes and schools, attempting to increase the number of vocations in our diocese. Their concern is felt at St. John's and we would like to extend our sincere gratitude for their generosity of time and effort.

S C O F F S

Entertainment becomes a very large subject in a boarding school of sixty students. Scoffs are one of the major forms of entertainment at St. John's. Special occasions for scoffs are Halloween and Christmas, which may feature such things as a movie, games and then McDonald's for a treat. All scoffs are sponsored by the entertainment committee.

Oh Boy

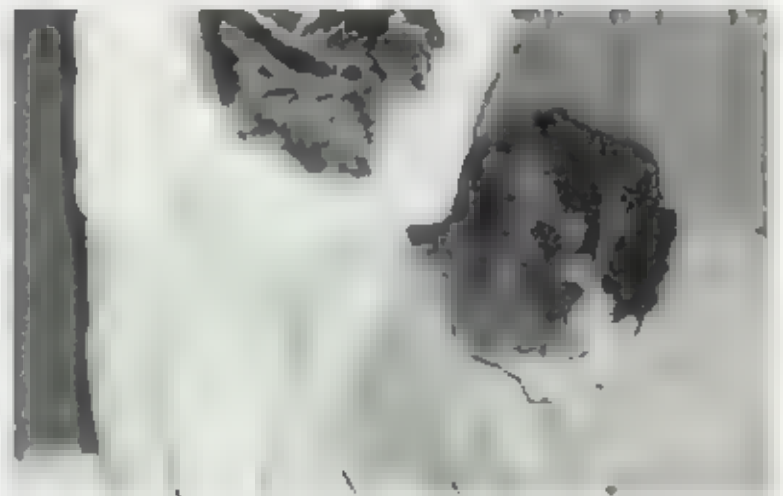

For me. Wow.

Santa Who?

CHARITY WORKS

Apostolic Works is just one of the many ways that St. John's is reaching out to other area students. Every Wednesday the Juniors and Seniors go to either Jone Davis or Marillac Schools and work with the students. By this exercise these young men grow in the understanding of other people and at the same time are benefiting these schools.

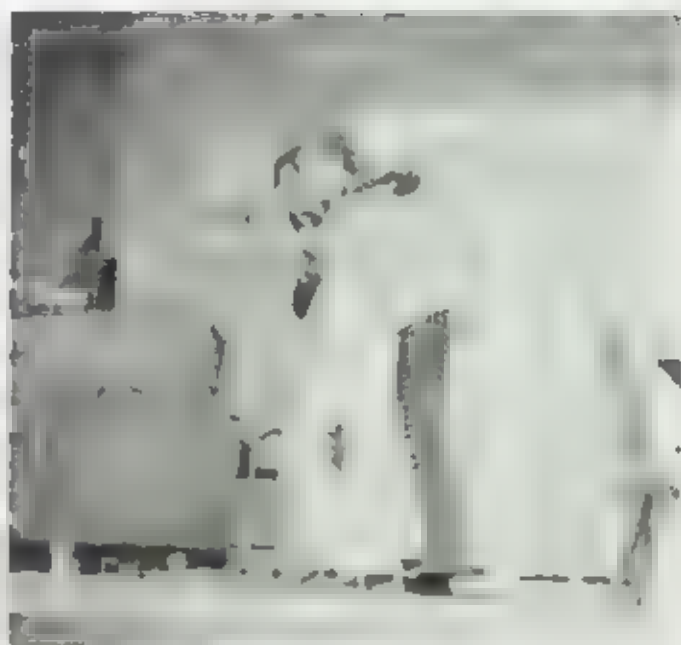

PLAYS

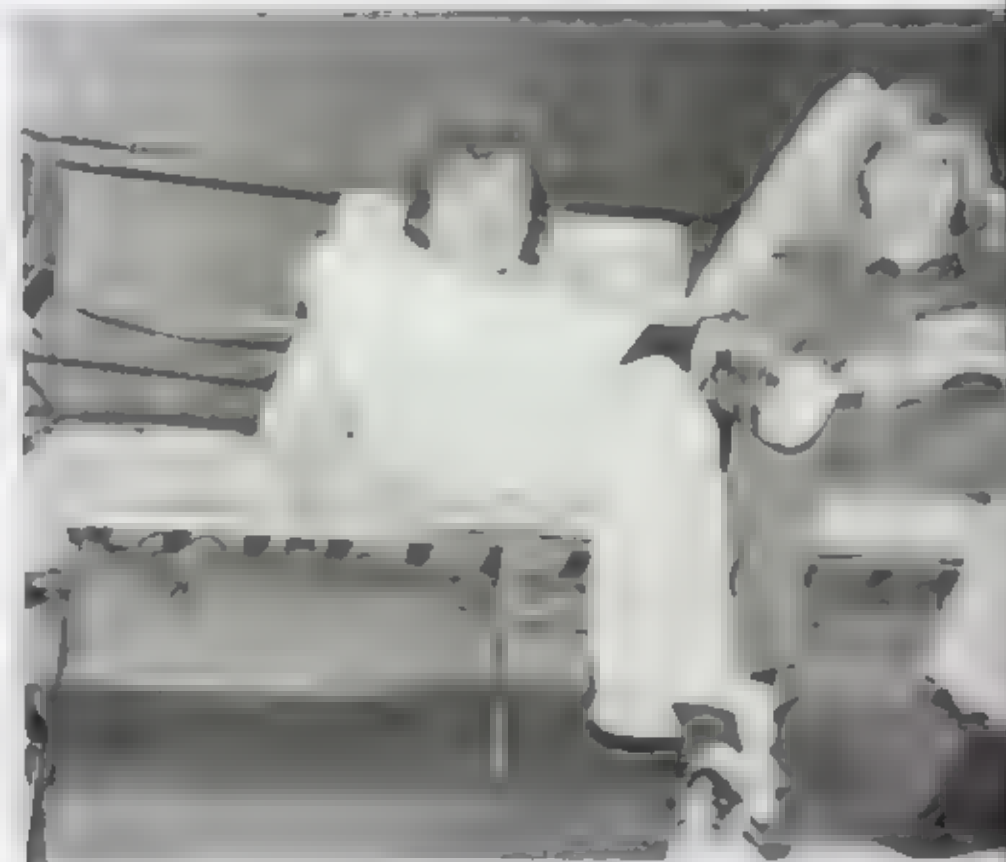

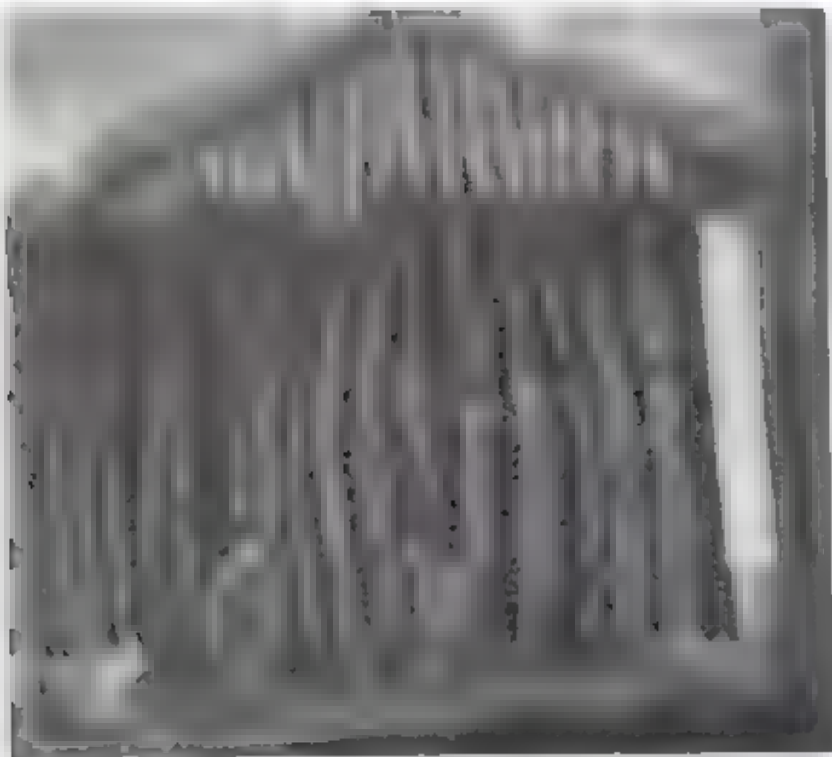

St. John's is rated for its quality in play productions, and this year has been no exception. "The Gazebo," St. John's Fall play was a commendable attribute to our tradition. The Spring Musical, "Little Mary Sunshine" is anticipated to be even better. Much thanks is owed to all students and faculty members who were involved in St. John's play productions for their many hours of hard work

ORGANIZATIONS

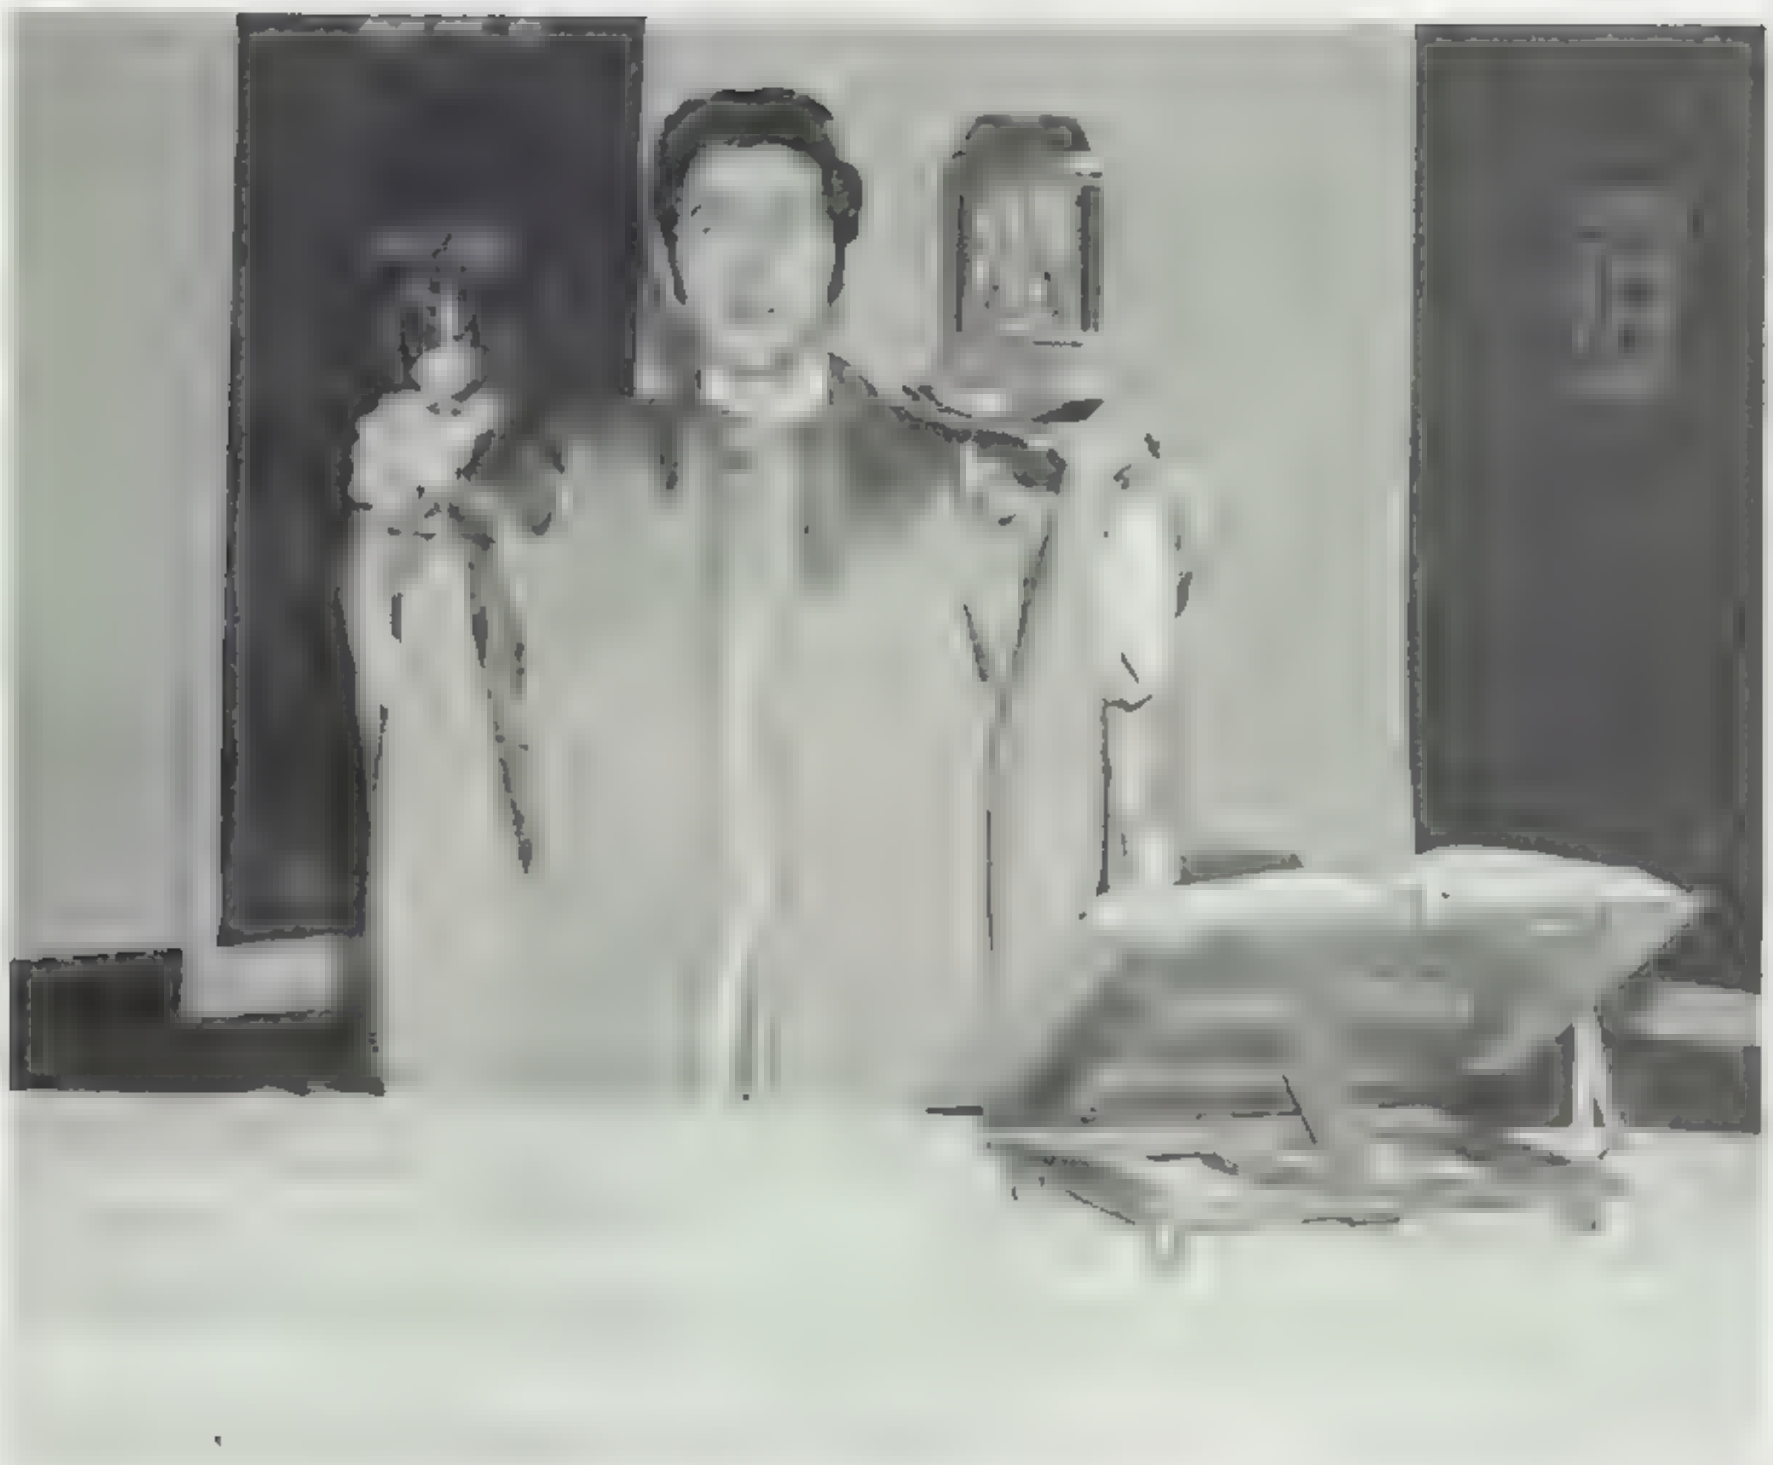

IN

ACTION

LITURGY

Liturgy plays a vital role in the life of a seminarian, and planning it requires a great deal of knowledge and responsibility. The principal activity of the Liturgy Committee is to plan for all the Masses here at St. John's. This is very time-consuming and involves several separate functions. This Committee must also arrange for other Spiritual activities, such as Evening prayers, Benediction, and Penance Services. This year's Committee, headed by Joe Messina and under the talented supervision of Fr. Kearns and Mr. Robert Thompson, has well upheld the tradition of high quality that St. John's has for its Liturgy. Much gratitude is owed to Joe and this Committee for their dedicated work.

The Knight, St. John's newspaper, is going into its twentieth year of publication. In the past twenty years, the Knight has served its purpose well as the only written record of student activities, and one of the only means the students have had of publicizing St. John's. The Knight has a present circulation of 750 readers. The editors, Mark Young and Gerry Turek, assisted by next year's editors, Jim Schwartz and Brian McMenemy, assume a great deal of responsibility when taking over the Knight, the students' voice. But considerable credit must also go to the writers, who spend endless hours composing suitable articles for the paper, and Mrs. Janice Cox, who edits all copy for the Knight. The Knight this year has truly kept the standard quality, which it has achieved in the past twenty years.

KRAT VOLLEYS

Entertainment is a very broad subject at St John's, and the Entertainment Committee must work endlessly to see that all the students are kept happy and active. They provide scoffs, plays, movies, and various other activities, including our annual Halloween and Christmas parties. The Entertainment Committee also sponsors the student store and stocks the pop machines. This year's Entertainment Committee, headed by Dan Van Buskirk, has done a very commendable job.

SACRISTANS

The Sacristans are a group of four people, who make sure that all is presentable and in place for all Liturgical Services. Chris, Bob, Ray, and Keith deserve much credit for their services.

PUBLIC RELATIONS

Public relations is a very important part of any school, but for a High School Seminary, good public relations becomes an essential need in the curriculum. To meet this need for public recognition, St. John's has an organization called Public Relations. This Committee's main function is to publicize St. John's and our various activities. This year's Committee, consisting of Mark Young and Jim Schwartz, has done an outstanding job.

Mark Young, Tim Schwartz

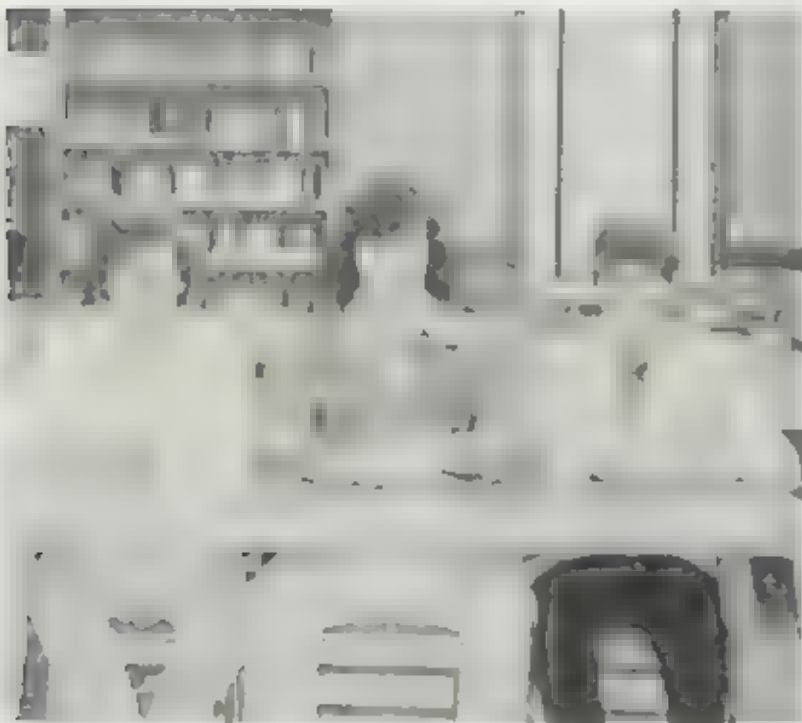

PHOTOGRAPHY STAFF

The Photography Staff, headed by Chris Moore and John Dandurand, is one of the most necessary organizations at St. John's. The principal activity of the Photography Staff is, naturally, to take, develop, and print pictures. But his simple task is actually a very complicated process, and the Photography Staff must work many hours to supply other organizations with badly needed pictures. We would like to express our gratitude to the Photography Staff for a job well done.

AD CAMPAIGN

The Ad Campaign Committee has the immense responsibility of financing all student activities. The Ad Campaign is the only source of income for the student account. The money from the Ad Campaign pays for our Yearbook, all entertainment, and uncountable other student expenses. Without a good, profitable Ad Campaign, all these would not be possible. Bob Patterson, assisted by Tim Young and Brian McMenamy, has worked endlessly in the realization of this fact. We thank Bob and his helpers for their efforts.

St. John's is known for its quality in yearbook publications, and this year's Yearbook Staff, headed by Chris Moore and Tim Fitzgerald, is upholding the tradition. But the yearbook means much more than a tradition to the students here at St. John's. It is a summary and recollection of the entire year, and therefore carries a special meaning. The sizable number of the Yearbook Staff indicates only partially the great deal of work it takes to publish a yearbook. The Yearbook Staff of 1976 deserves considerable thanks for their unselfish giving of time and effort to create "The Quest '76"

ATHLETICS

A well-organized and varied sports program is an essential part of a boy's development here at St John's. The sports program is designed so that the athletic talents of each individual are brought out by two separate facets of the sports program. First, the highly competitive intramural program, consisting of basketball, volleyball, flag football, and softball. Secondly, is the interscholastic program, made up of basketball, track, cross-country, and tennis. By participating actively in such programs, not only is health of mind and body accomplished, but also the values of competitiveness and good sportsmanship.

Despite losing two starters from the previous season one being Bob Meade, an All-Stater, the Knights of 1975-76 posted yet another outstanding basketball record. Many new faces were among team's roster this year, but, through the leadership of returning starters Mark Young, Keith Cummings, and Bob Patterson, the Knights displayed tremendous strength in all areas. But, most important is the fact that the squad has shown that a young team can perform well together, gain experience, and win games.

After a slow beginning, the Knights finished strong winning their last eight of nine games, closing out the regular season with a 13-6 record. This brilliant record earned the Knights a fourth seed in the Cass-Midway Regional. Once in the regionals the team played well, winning their first two games. However, all hopes of reaching the State Tournament were erased when the Knights lost a cliffhanger to Drexel in the semi-finals.

Under the excellent and spirited leadership of Father Felipe Martinez, the Junior Varsity has once again posted a fine record. Blessed with an abundance of talent the Junior Varsity couldn't help but play tough basketball all season long. Although a young squad, experience was gained each game which soon proved to be the ultimate factor in all of the team's victories.

Again, our compliments to Father Martinez for his tremendous work in shaping the Junior Varsity into a team filled with hustle, spirit, finesse and the desire to win.

Success can not be measured on records alone, and despite a losing season, the Freshmen squad can be proud of a truly successful season. Showing hustle, spirit, and determination, the Frosh played each game giving 100%, and not "giving up the ship" until the final buzzer.

Much of the team's true success can be accredited to Coach Bill Daugherty. Under his guidance, a much talented team has been created, a team with the knowledge of success.

TRACK

St. John's has once again maintained an outstanding track team, its members excelling in all events. Several school records were shattered this season, as the track program, under Coach Norbert Schmidt, continued to produce competitive, all-around athletes. Like so many other interscholastic sports here at St. John's, the Knights track season turned out to be a successful one

HEAD COACH

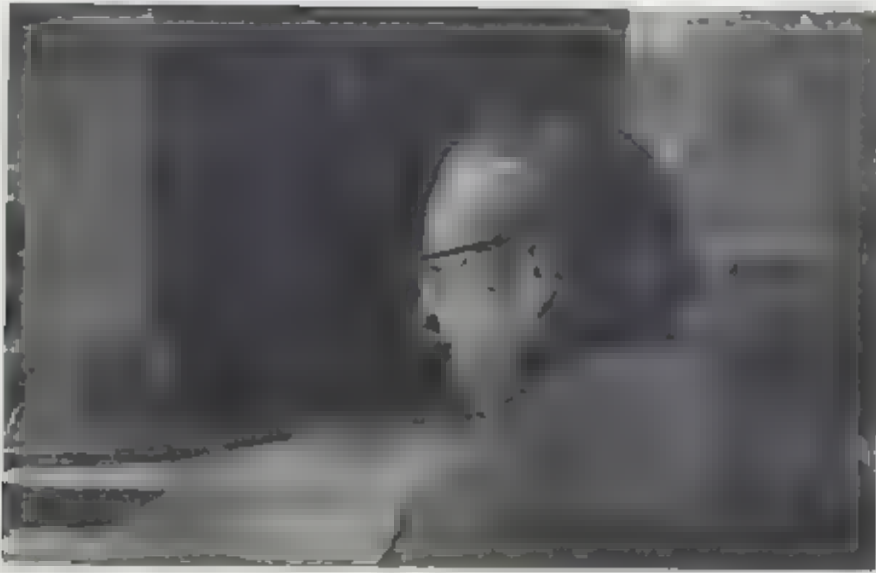

Coach Norbert J. Schmidt is a very valuable man here at St. John's. His numerous responsibilities include, vice-principal, athletic director, and professor of all History and Physical Education classes. He does a fantastic job with both the basketball team and the track team. But outside this we respect him for his great devotion to the seminary.

Take it easy on us Norb

Assistant Coaches

Coach Schmidt is helped tremendously by two outstanding assistant coaches, Fr. Martinez and Mr. Daugherty. Fr. Martinez, aside from teaching Latin and Spanish, is also the Varsity basketball scout. He also does an excellent job coaching the Junior Varsity basketball squad. Mr. Daugherty spends a great deal of time and effort here at St. John's, helping with the Varsity basketball team, coaching the Frosh basketball team, and being Head Coach of the tennis team.

That's my number one player.

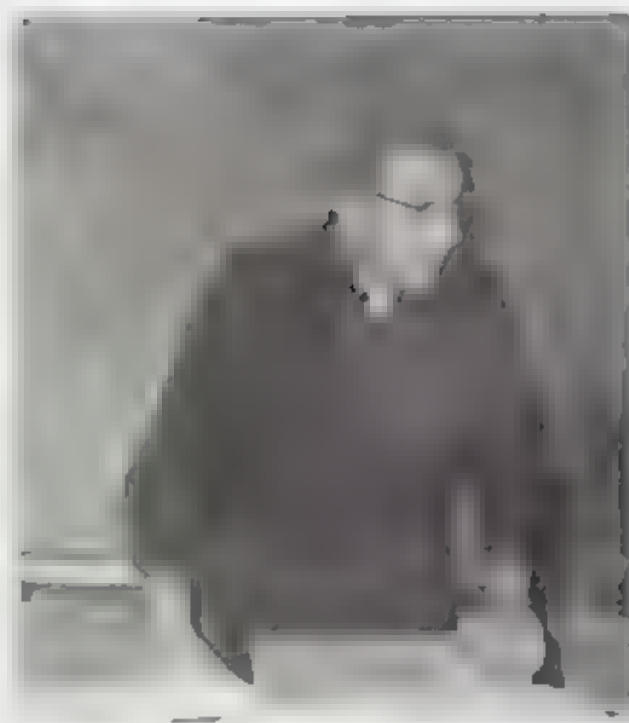

ADMINISTRATION

This year's faculty staff has several new faces, and many new ideas. The administration has created the foundation for a steady progress of school programs in years to come. With a blend of fresh ideas and old traditions, this school year, and future years to come, have a very promising outlook.

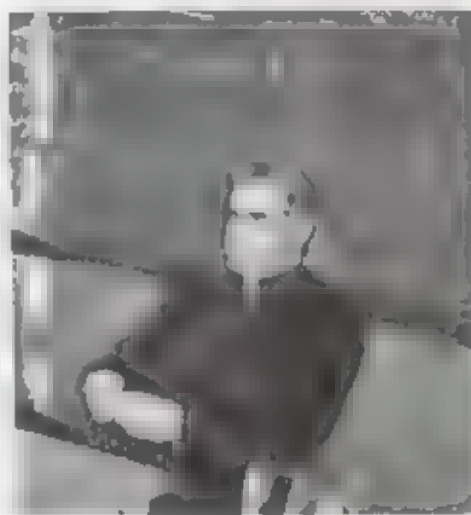

REVEREND ALBERT LEE C.M.

Fr. Lee is completing his third year here at St. John's. His previous two years were spent as rector of the seminary, but due to severe illness and an extended stay in the hospital Father Lee was unable to act as rector. Fortunately, Father overcame his illness and is now back teaching at St. John's. He teaches Trigonometry to the Juniors.

REVEREND FRANCIS CROWLEY C.M. Rector
Fr. Crowley has returned to St. John's after a two year leave of absence. Father was previously at St. John's for nine years as rector. He then devoted two years of his life to the missions. When asked to temporarily take over the rectoral duties, Fr. Crowley readily accepted. Father now teaches Special Education the Freshman and Sophomores and Geometry to the Sophomores

REVEREND RICHARD GIELOW C.M

Fr. Gielow is the new rector of St. John's. He came to St. John's early in the calendar year but he did not officially take over as rector until April. Father is a man with many new ideas for upgrading the Seminary. In the short time he has been here he has made his presence felt. Father is an energetic man and an avid sports fan. He teaches Theology to the Juniors

MR. NORBERT J. SCHMIDT Vice-Principal

Mr. Schmidt is completing his sixteenth consecutive year here at St. John's. He is a man with a tremendous amount of talents and an inexhaustible supply of energy. He teaches World Geography to the Fresh men, World History to the Sophomores, American History to the Juniors, and American Problems to the Seniors. He is also the Seminary's Athletic Director and Varsity Basketball and Track Coach.

REVEREND PHILIP COURY C.M. Dean of Students
This is Fr. Coury's first year here at St. John's. He is filling the recently vacated position of Dean of Students. This position entails a very close relationship with the students, looking out for their well-being, and the often difficult task as disciplinarian. Father also teaches Algebra to Freshman and Chemistry to the Seniors.

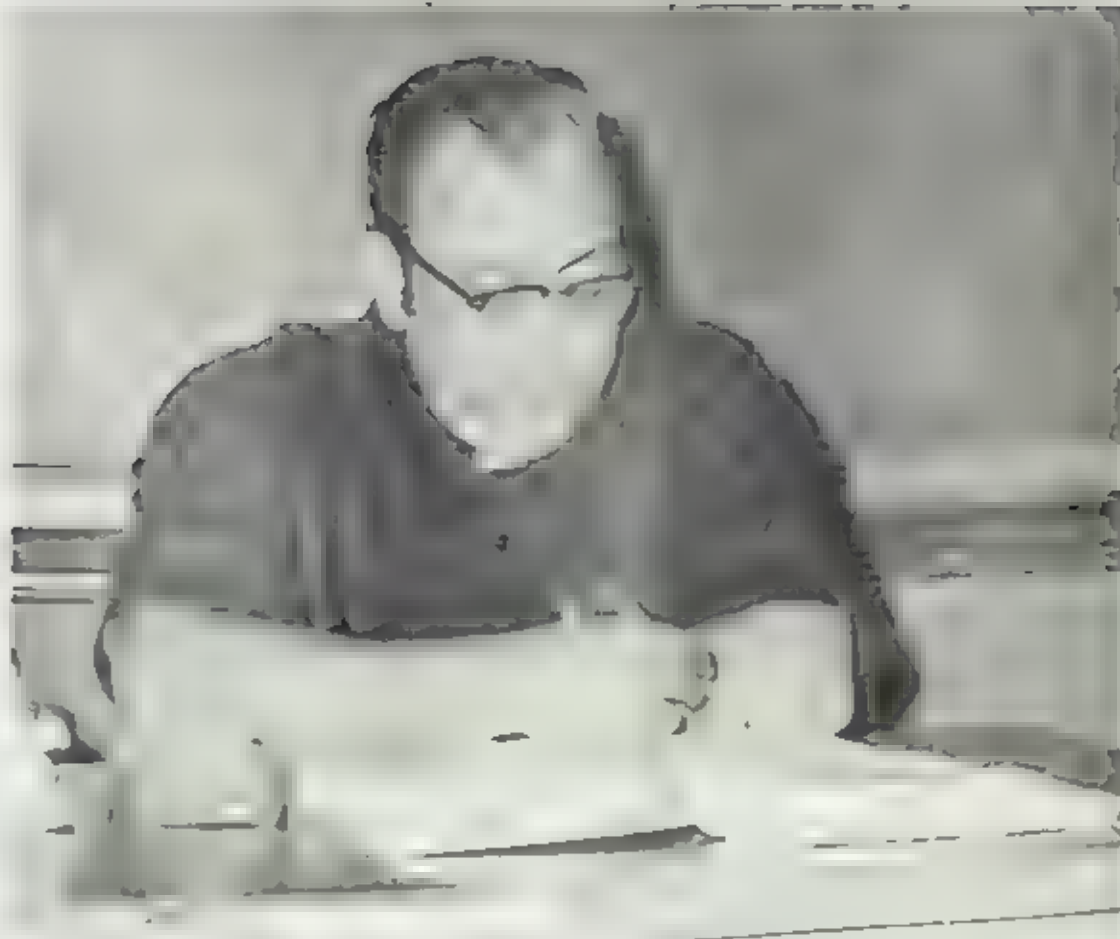

REVEREND DANIEL KEARNS C.M. Spiritual Director
Fr. Kearns is completing his first year here at St. John's. As Spiritual Director, Fr. Kearns performs a many fold task. He supervises the Spiritual Guidance service provided by all the priests, and he is in charge of planning all our days of recollection, prayer services, and liturgies. Father is also the director of all our fine stage productions. He teaches Religion I, II, and IV.

REVEREND ROBERT RICE C.M. Treasurer

Fr. Rice is a key figure in the running of St. John's. He has the tiring and unrewarding job as treasurer of the seminary. Father is involved in all seminary activities as the man behind the scenes. Although Father is involved in many things he finds the time to teach Physics to the Juniors. His wit, humor, and willingness to help has made him a valuable member of the St. John's faculty.

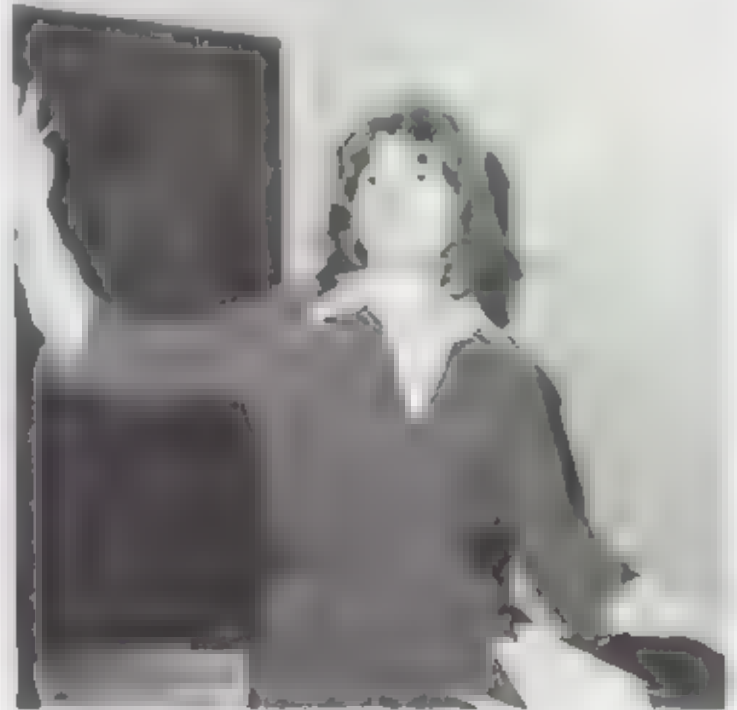

REVEREND FELIPE MARTINEZ C.M.

Fr. Martinez is a very active member of the St. John's faculty as one of the senior members. Besides being our foreign language expert, teaching Latin I to the Freshman, Latin II to the Sophomores, Spanish I to the Juniors, and Spanish II to the Seniors, he is also the coach of our Junior Varsity Basketball team.

MRS. JANICE COX is a new member of St. John's faculty. She teaches English to the Freshmen, Creative Writing to the Sophomores, American Literature to the Juniors, and World Literature to the Seniors. She is also the faculty moderator of the Knight, St. John's school newspaper.

MR. WILLIAM DAUGHERTY, a graduate of St. John's, is currently in his second year as Athletic Assistant. He is coach of both the tennis and Freshman basketball teams.

MRS. BETTY ROBERGE teaches art on Monday nights to those who choose it as an elective. A teacher in the Kansas City Public School System, Mrs. Roberge's class is a break from the usual classes, and are enjoyed by the students

REV. MICHAEL MULHEARN C.M. is spending his third year here at St. John's after receiving his Ph.D. in Psychology in August. He does not teach classes because he is frequently out of town giving missions in other cities

MR. ROBERT THOMPSON is supervisor of the liturgy at St. John's. Not only is he an integral part of daily mass, but he also spends a large amount of time on the special liturgies and the spring musical.

MRS. MARIAN HUGHES

A well-organized and updated library is an essential necessity here at St. John's. And the responsibility of seeing that the library is kept orderly and up to date lies totally on our school librarian, Mrs. Hughes. Mrs. Hughes is presently completing her nineteenth year as school librarian, and we extend our appreciation for her many hours of dedicated work

MRS. JEAN SHANKS

Mrs. Shanks, school secretary is now finishing her first year here at St. John's. Her varied responsibilities include everything from helping Fr. Rice with school business to handling all typing chores.

MRS MARY MARQUEZ & MRS CATHY CHAPMAN are a tremendous help to the sisters. Working at different times in the day they help with meals and keep the kitchen in order.

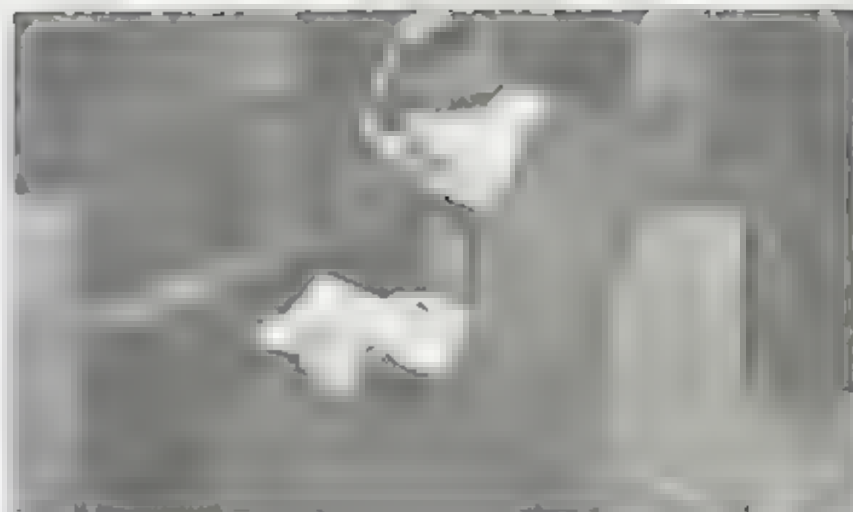

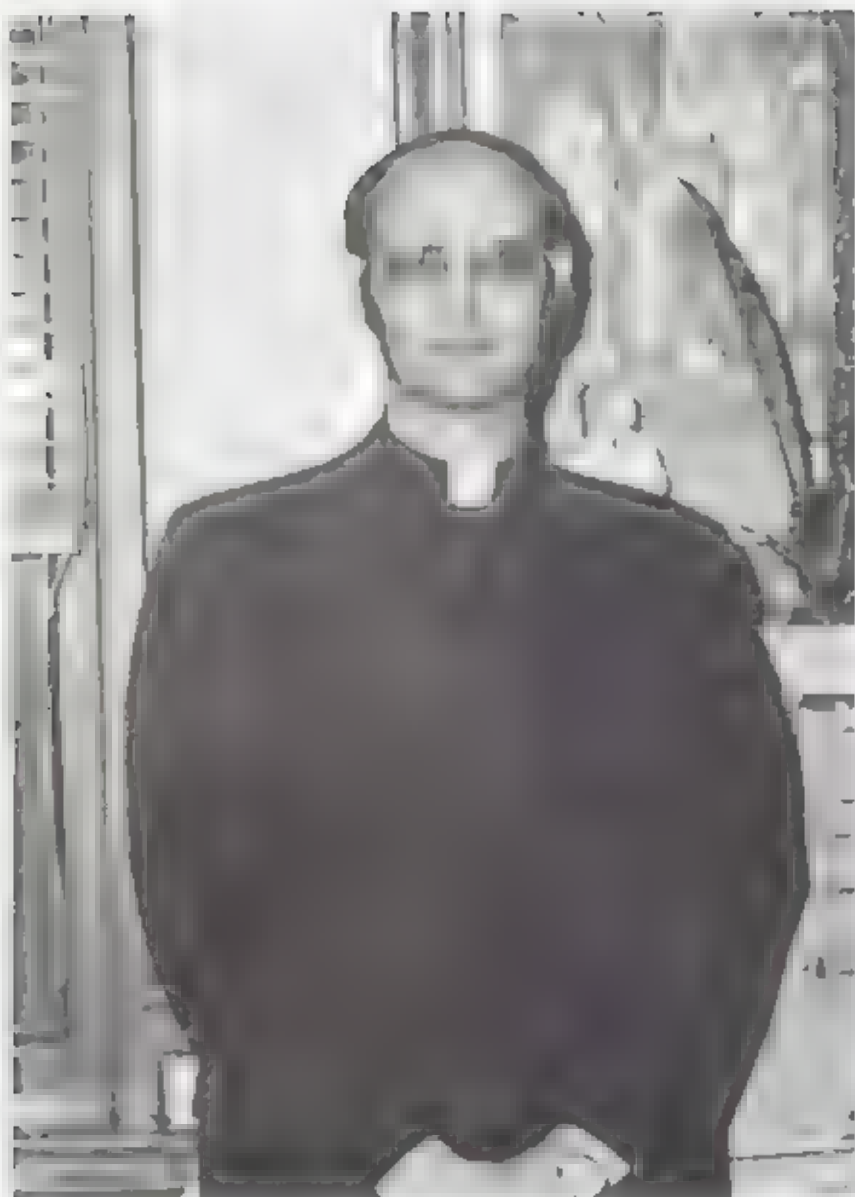

SISTER ANGELA, SISTER PASCAL and SISTER EDWINA, Sisters of the Order of St. Francis, daily spend their time in the service of the seminary by preparing meals for the students and faculty. They spend many hours each day planning and cooking three meals which are nourishing and enjoyed by all. While constantly laboring in the kitchen, they still find time to take part in daily Mass and attend many of the basketball games and other activities.

MR. and MRS. JENKINS are two dedicated people who have always found time to help St. John's. Mr. Jenkins helps with the maintenance of the seminary and Mrs. Jenkins washes the laundry for the priests at St. John's.

JOHAN METZDORF, an immigrant from Germany, is responsible for keeping the seminary and the area around it clean. Whether it be shoveling snow outside or waxing floors inside, Johan can always be found hard at work.

REV. JOSEPH MANCUSO

Vocational Director

Fr. Mancuso is completing his 1st year as Vocational Director. Aside from the fact that he is Associate Pastor of Our Lady of Lourdes Church, he is largely responsible for getting many new vocations to the Seminary. We would like to commend him for his hard work and endless determination.

We would like to thank in a very special way Bishop Charles Helmsing and Associate Bishop George Fritzsimmons. The real success of St. John's can be accredited to these two men. Their great concern and dedication to St. John's is an inspiration to us all. Our deepest and sincerest thanks to them.

DEDICATION

Sr. Angela, Sr. Paschal, Sr. Edwina

THE NUNS

Service is a hard word to describe, but we feel its definition can be filled by the three people we are dedicating this year's yearbook to.

Sister Angela, Sister Paschal and Sister Edwina are each "working" definitions for service. An average school year, the nuns may prepare and serve over thirty-thousand meals for the students and faculty.

In the pages of this yearbook you will see St. John's at work and at play. We dedicate to you, in such a small way, this years activities, important or insignificant. Always remembering you in our prayers.

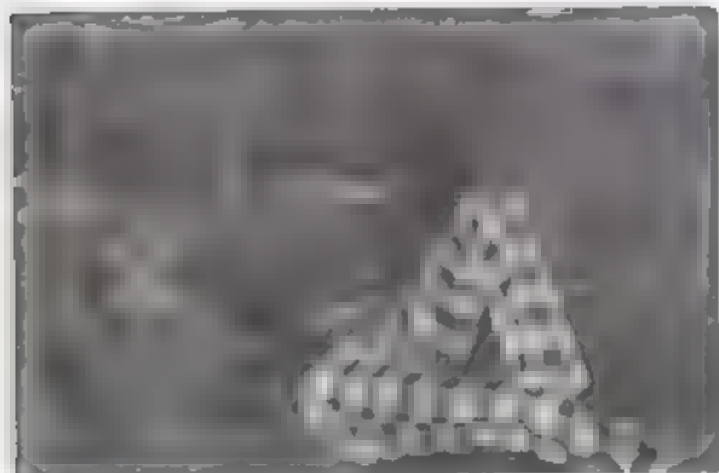

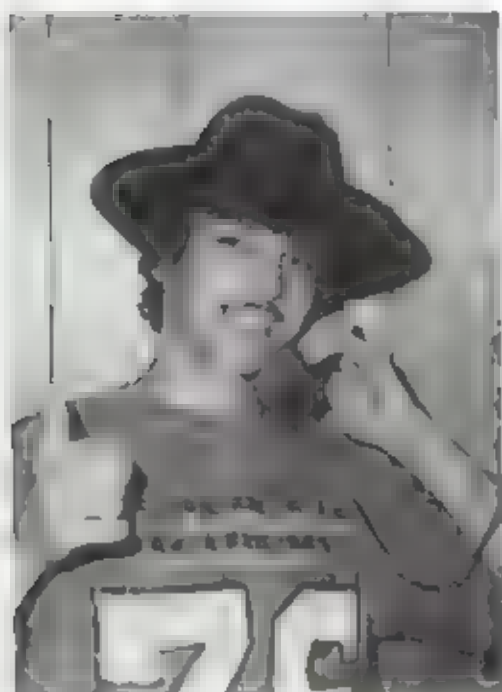

The Sisters hard at work

ADIOS

Make new friends, but keep the old,
Those are silver, these are gold.
New-made friendships, like new wine,
Age will mellow, and refine.
Friendships that have stood the test,
Time and change, are surely best.

AMIGOS

Brow may wrinkle, hair grow gray,
Friendship never knows decay,
For mid old friends, tried and true,
And more we our youth renew.

GRAFFITI

We the editors, wish to extend our many thanks to all those people who made this yearbook possible. People who have worked hard and tirelessly to meet the many and great demands we have placed on them. Captured in these people was a spirit of willingness, a desire to work hard to make this yearbook the best ever.

Finally, we can only hope and pray that this spirit shown by the staff will continue to be the living example of the seminarians. Keep up the spirit and good luck next year.
